GÅ PÅ VATTEN

Lars Westman, Fredrik Gertten, Sweden, 2000

78 min. | DK/Documentary

EN | DA

A film about people who are building a bridge. A film about Danes and Swedes. A film about people and their dreams. The bridge over Øresund is one of Scandinavia's most important building constructions. The film follows the bridge's growth over the course of five intense years and the movements of some few of the thousands of people who have been engaged in the work.
