TERKEL IN TROUBLE

Stefan Fjeldmark, Denmark, 2004 

81 min. | DK/Feature | Children's films, Animation

Terkel is eleven years old. He's having trouble with Steen and Saki, two bullies in his class at school. Luckily, Terkel has a really good friend, Jason. But when Terkel teases Dorrit, an obese girl, so badly that she jumps out of the window, it almost ends their friendship. Jason is pretty fed up with Terkel and his tendency to suck up to the bullies. Maybe Terkel ought to be worrying about who is throwing bricks through his bedroom window at night, and Gunnar, the slightly too smug substitute teacher.

Basic information
