I'M ALSO A BERLINER

Jon Bang Carlsen, Denmark, 1990
 25 min. | DK/Documentary

Not everybody was happy when the Berlin Wall was pulled down. At any rate not the two young men who live in a No Man's Land east of the border, but west of the Wall. Their house and gardening are threatened by high politics... and the many »wall-breakers« who sell the brickbats to the noisy tourists. A distorted view of an epoch-making event in the world.
