# CREED

Mads Tobias Olsen, Denmark, 1992  
 5 min. | DK/Experimental

EN | DA

The curious is always on the ROAD, moving. When he focuses on something, throws his SEED, it will grow and a CONFLICT will arise. With FAITHFULNESS he shall reach his GOAL and soon be on the ROAD again...We scratch our way through endless and chaotic informations, commercials and fictions. All along we draw a line so we won't get lost.

## Basic information
