DEAR DENMARK

Mads Tobias Olsen, Denmark, 1992
 14 min. | DK/Documentary

A mindblowing, hip-hopping documentary featuring a computer freak, a stuntman, an ex-prime minister, a model, a psychologist, a vicar, a writer, a painter, a musician, a journalist and a student. Conversations with 11 danes are cut up, sampled and surprisingly put together into a funky statement about views on life, morals, faith, humour, time, the medias, Denmark and the Danes.
