MORTENS BADEBOLD

Liller Møller, Denmark, 1994

8 min. | DK/Short fiction | Children's films

The children tear along on roller skates, bicycles and skateboards. But not Morten. He is too young and has only got a quite ordinary beach ball. Ordinary? The beach ball is full of life and feels like teasing. It takes Morten into the small, large world of the garden, into adventures and lots of fun. Morten has got a good friend.
