THE CLOCK AND MACHINE COLLECTION , DRESDEN

Allan de Waal, Anne Regitze Wivel, Denmark, 1993
12 min. | DK/Documentary

Mathematisch-Physikalischer Salon, Zwinger, Dresden. The collection contains clocks and time machines dating back to the 17th century. The video note examines clocks as time machines, museums as store-houses of time, film as time span and the city surrounding the museum as a result of the passing of time.
