SKIPPER & SKEETO

Denmark, 2000
 13 min. | TV series | Animation

Skipper & Skeeto (Magnus og Myggen) is a Danish edutainment franchise created by Ole Ivanoff in 1996, including a TV show and video games. The series centers on the adventures of the titular characters and protagonists Skipper the adventurous mole and Skeeto the book-loving mosquito. Both friends go around Paradise Park to solve problems. The gameplay has the style of a simple point-and-click adventure game, but the menu, icons and actions change throughout the games. The game was released in several languages including:
