ON THE ROAD WITH DAD - FIND THE MOOSE 3:6

Laurits Munch-Petersen, Denmark, 2018

18 min. | DK/Documentary | Children's films

Iris loves to go on the road with dad, cause while they're driving she can have him all to herself. Iris and daddy continue their trip further up in Sweden towards the cold north. They're going on a real adventure together - out in the snow and into the unknown! Iris is not scared of anything, except looking the forest queen in the eyes. On their way, they're looking for Sweden's legendary animal, the extremely rare moose. But maybe it's possible to lure it into sight with a little charm and a carrot?
