Laurits Munch-Petersen, Denmark, 2018

19 min. | DK/Documentary | Children's films

Iris loves to go on the road with dad, cause while they're driving she can have him all to herself. Iris and daddy are going to visit Iris' little sister, Lucia, who lives on Møn. Therefore Iris starts drawing a family tree to get an overview of the entire family. It's getting a big tree, cause the family is a little messy. The trip is not going according to plan, as the daddycar suddenly feels ill. And then what do you do? How can you repair things when they are broken?
