ASSASSINATION

Bent Christensen, Denmark, 1980
 97 min. | DK/Feature

Following a nuclear power debate in Parliament, a shot rings out. Was the Minister of Energy the gunman's target? And who was the would-be assassin? Police and Secret Service come under pressure to solve the case quickly. In this clearly political thriller, implications of power abuse and trampling of citizens' right are rife, but one calm police inspector brings everything down to earth.
