SONS OF DENMARK

Ulaa Salim, Denmark, 2019 

118 min. | DK/Feature | Historical drama

Denmark 2025. One year after a major bomb attack in Copenhagen, radicalisation around the country has intensified and ethnic tensions are running high. The next parliamentary election is near, and the extremely nationalist political leader Martin Nordahl is set for a landslide victory. 19-year-old Zakaria gets involved in a radical organisation, where he forms a bond with Ali. The two men cannot agree with the current state of the country, which is turning on its own citizens because of their migration background, and decide to act. However, they are both just tools in the hands of people with power. As the men try to make their mark, their brotherhood will be tested and their actions will have grave consequences on their lives.
