

Jeanette Nordahl, Denmark, 2020

90 min. | DK/Feature | Drama

Following the tragic death of her mother, Ida falls into the care of her estranged aunt Bodil and Bodil's three grown sons. Ida initially finds comfort in their home, which is filled with physical tenderness and a strong sense of unity. But the darker reality of her family's criminal way of life and toxic dynamics slowly pushes her to accept violence, addiction and intimidation as normal. As the situation spirals out of control, Ida realises that love and violence are impossible to separate. Doubting if she really belongs with this loyal, but dangerous matriarch and a brotherhood on the edge, Ida faces the same question her mother once faced before her: Just how far are you willing to go for your family?
