

THE HEART IS A LONELY HUNTER

EN | DA

Max Kestner, Denmark, 2020

85 min. | DK/Documentary

Elisabet wakes up one night and isn't sure if it was her own scream that woke her. At the same time Lucia crosses Plaza Tetuan and is hit by a wind that awakens a childhood memory. Both women carry a loss. We don't know how it is to be the person that sits next to us on the metro. Sometimes we still find ourselves reaching out for him or her. Sometimes we get a hold while other times they slip through our fingers. One Thursday, Elisabet and Lucia ride the same metro in the direction of Pobleu.
