DON'T GIVE A FOX 4:4

Kaspar Astrup Schröder, Denmark, 2019

28 min. | Series (documentary)

The road trip is coming to an end. A week filled with skate, parties and incredible memories have made the girls realize that skating is no longer the thing keeping the girls together. It is so much more than that. It is the unique fellowship and the unconditional support amongst the girls that is the core element of Don't Give A Fox. The girls pack up their belongings and are ready for the journey home, but all of the sudden, their van breaks down and now they are not sure how they are going to make it back home.
