

Carsten Fromberg, Denmark, 1996
87 min. | DK/Feature

A power struggle is played out between two men during a so-called survival outing in the Swedish wilderness for a group of young Danish convicts. Can Lasse, 50, a prison therapist of unconventional methods and a record of fine rehabilitation of even the toughest of cases, handle Dan, who is half his age and dead set on depriving Lasse of authority and respect? A dark journey into two mind-sets and souls.
