THE ARCHITECT ON THE SCAFFOLDING OF CHRISTIANSBORG CASTLE

Denmark, 1913
2 min. | Non-fiction footage

After the fire of the second Christiansborg castle in 1884, the founding stone for the third was laid in 1907, following the drawings of Thorvald Jørgensen (1867-1946). The construction and decoration lasted until 1928 and was the subject of lively debate.
