INGEN HAMLET PÅ KRONBORG I ÅR

Maj Wechseltmann, Denmark, 1986

78 min. | DK/Documentary

Sweden's ever-controversial documentarist Maj Wechseltmann ruffled a few Danish feathers with this composite of World War 2 archive footage, interviews, and reconstructions. Wechseltmann's point of departure: Nobody collaborated as smoothly at first with their German occupiers as the Danes. Her concluding point: nobody effectuated their will to civil resistance more successfully in the end.
