THE FAILURE

Viggo Larsen, Denmark, 1907

5 min. | DK/Short fiction | Drama | Silent films

The film is incomplete and there are no preserved programmes which explain the story. The fragment consists of the following scenes: Scene 1: An older and a younger man are talking in a living room. Scene 2: The young man is courting a woman and is rejected on account of another suitor. Scene 3: The older man receives a telegram about a shipwreck. The news almost drives him to take his own life. Scene 4: The two men are now standing outside a shop and seem happy again. A woman is sitting with a child on her lap, perhaps belonging to the young man and the woman he previously pursued.

Basic information
