# PRINCE PIWI

Flemming Quist Møller, Denmark, 1974

93 min. | DK/Feature | Children's films, Animation

Animation and live action alternate in the telling of Prince Piwi's journey from his own Animationland, where everybody is so unhappy that tears have become a major export commodity, to Humanland, from where he hopes to bring back what he supposes to be that land's major commodity: Happiness. Happiness proves pretty elusive, and Piwi gets into the clutches of ad-men, con-men and secret agents instead.
