RUN OF THE MILL

Børge Ring, Denmark, 2000

8 min. | DK/Short fiction | Animation

The sun rises and looks with curiosity at the planet and its inhabitants. Children play, grow up and themselves have children who play...The main character of the film, a young man, grows up inside a bubble. Narcotics have created a membrane around his soul. He cannot break out by himself, and even his gravely distressed parents are unable to reach him. His peers grow up to active social lives, while he, painfully lonely, continues to fly inside his narcotics bubble. On the ground, his former playmates, the mills, follow his flight. Yes, as a child he fought the mills and conquered them. But will he win the battle against the bubble?
