TRANCE DANCE

Morten Skriver, Denmark, 1992

49 min. | DK/Documentary

A personal essay on an old ritual culture in contrast to the modern tourist. The film has been shot in the Indonesian island of Bali where - in the director's words - the special Balinese Hinduism is »one of the most wonderfully sensuous and visually generous cultures which the world has ever known«. And where the international mass tourism has one of its most intensive growth areas.
