VERDENS CENTRUM - I MAYALANDET

Lasse Spang Olsen, Denmark, 1992

48 min. | DK/Documentary

The Maya Indians have no doubts as to where the centre of the world is. In the light of the 500th anniversary of Columbus' arrival in America Ib Spang Olsen, writer and illustrator, gives his warm and masterful, very personal version of the Indians' meeting with a foreign culture and tells with solidarity about the past, the present and the uncertain future of the Mayas.
