»Chop Chop« is a comedy about the extraordinary lives of ordinary people, love when it's least expected, and landing the biggest fish of all ... Dennis and Carl are brothers who live on a small farm in the country. None too bright Dennis wants a girlfriend for Christmas. Carl makes sure that Dennis gets just that when he meets Rita at the local pub. She is on the run from her husband and she doesn't turn down the chance to hide away at Carl and Dennis'. One festive evening, aided and abetted by Carl, Dennis and Rita, Finn who also lives at the farmhouse takes a few to many of his homemade acid toffees. And suddenly Carl and Dennis find themselves with a major problem, a girl to manage and inquisitive neighbours ...
