CATCH THAT GIRL

Hans Fabian Wullenweber, Denmark, 2002

87 min. | DK/Feature | Children's films

The obstacles connected with 12-year-old Ida, Sebastian and Jonas' perilous mission are many: A bank vault 30 meters above ground, secret combinations to crack, vicious guard dogs to wrestle, psychotic watchmen to distract and a bank manager to fool. Not to mention surviving a hair-raising go-cart race through narrow city streets with a hoard of cops giving chase.

Equipped with the latest climbing gear, a few borrowed go-carts and a couple of wild, throbbing hearts set on winning Ida's love, the trio plan the most audacious bank heist in the history of Denmark - by breaking into the world's most secure bank vault.
