SLIM SLAM SLUM

Jorge Ballarin, Marcelino Ballarin, Denmark, 2002

101 min. | DK/Feature | Youth films

A portrait of Slim, Slam and Slum, three computer nerds who doss around in their city pad. First of all they start a popular web site that their conman partner sells, and then they start Boomin Crew, a music group. They go through a whole load of agony before they finally hit it big and snap up three honeys, Dit, Dat and Dut.

The director and cartoon strip writer Marcelino Ballarin says of the film, "My humble desire was to make the film as good as the cartoon series  just as funny, honest and original. I want to entertain people with humour, acuteness, depth and verve. No feature has yet succeeded in describing the most dominant youth culture from the 1990s to the present day, viz. Danish hip hop street culture, and I'd say our film describes this youth segment the way it is and not the way anyone just wants it to be."
