Aage Rais-Nordentoft, Denmark, 2003

95 min. | DK/Feature

Jacob hangs out with his mates Bo and Mikkel in a dozy suburb. The first year of 6th form college is giving them hell, and the only entertainment has to be wrung out of the video rental store, the takeaway or the soccer pitch. The boys are really into big boobs and football. Which should they go for? The way to a girl's breasts is via love, and to Jacob love means Mathilde. Bo is good enough for pro soccer but he's in the clutches of an older, conceited guy named Jagger. Adolescent hormones are thundering away and it's dead hard being young and raring to go. What is Jacob to choose: soccer and his mates, or his bird and sex?
