MY FAVOURITE THING

Jon Micke, Denmark, 2003

23 min. | DK/Documentary | Children's films

In exhilarating visuals children share with us their personal reasons for cherishing 'their favourite thing'. These objects come to us from a void in space, appearing high in the sky, above each child's home, while we listen to original and sometimes breathtaking stories about those 'things' that they care about most and for which they have affection.
