CODAN'S WAVE

Carl Schenstrøm Nørrested, Denmark, 1985
12 min. | DK/Experimental

The film started as an ordinary feature film project in 1964, but was then shelved. At the outset, it was never intended to become an experimental film. But, as it turned out so awful, it was animated by Carl Sch. Nørrested and Steen Ulrik Tvermoes in 1968. In 1984, it was fitted with a sound track and had its final editing at the Danish Film Workshop.
