CIRKUS ARLI

Jørgen Roos, Denmark, 1984

43 min. | DK/Documentary | Children's films

»The circus has come to town!« This impressionistic documentary describes the pattern of life in one of the few remaining family circuses to continue touring from one town to the next during the summer season. Arli's Circus is the smallest circus in Scandinavia - and it has no wild animals. A film for both children and childish grown-ups!
