Early morning. Mom and Dad are tired, but Louis and his best friend, The Blanket, are wide awake. They decide to go on an adventure. They start off on a wild flight over the ocean. They drive a car, ride on a roller coaster, and noisily set the breakfast table. Things get out of hand! A plate falls to the floor, Mom and Dad wake up, and now the game is over. Suddenly Louis and The Blanket believe they are abandoned. The incredible apartment is all of a sudden quite a scary place. By joining forces, the two friends finally manage to conquer the unfriendly atmosphere, and the joy of morning returns. They share a warm moment together with tired but happy parents.
