# ISLAND OF LOST SOULS

Nikolaj Arcel, Denmark, 2007 

100 min. | DK/Feature | Children's films

14-year-old Lulu moves to a small provincial town with her mother and younger brother. One night, her brother is struck by a beam of white light - actually the spirit of Herman Hartmann from the 19th-century. To her despair, Lulu realizes that Herman has possessed her brother, and the two of them are whirled into a fevered adventure. They are joined by Oliver, a rich kid, and Richard, a disillusioned clairvoyant and inventor. Together, they take on the dark, supernatural forces gathering over the town - the evil from deep in the land of the dead, which seems determined to take over the world and see them die.
