Kasper Torsting, Denmark, 2007

77 min. | DK/Documentary | Portrait films

In 2002 Jon Noergaard won the competition to become the new Danish "popstar". The fame was instantaneous. High profile A-list parties became an everyday event for him; along with concerts, record deals, girls, drugs, violence and media attention. But the fame would not last forever. Within years Jon went from being nobody to somebody, and back to nobody; only this time with the scorching pain of the reality that came along with the fame.
