THERE'S A WAR OUTSIDE MY WINDOW

Christian Sønderyby Jepsen, Denmark, 2007
 30 min. | DK/Short fiction | Film school films

Five boys from the country are tried and tested in a Danish forest at sundown. Death is suspended above their heads; it is comical. In this case, five hens are waiting by the chopping blocks. Meanwhile the boys receive information about a world they have not yet experienced. A bizzare world. The film is a staged documentary; real people are inserted into a fictional process.

Basic information
