IN THE RYTHMS OF MY DREAMS

Lone Alstrup, Denmark, 1983

45 min. | DK/Experimental

In dreams everything is possible - and it is true. And yet, dreams have fixations of their own. They will always point at those pent-up areas of the mind of a personal or cultural origin. This story about the woman in the blue dress is a reconstruction of dreams, dreams of a substance which points beyond the personal sphere and towards our historical and cultural heritage.
