 22 min. | DK/Experimental

Video based on the Opera 'Holland House', performed in April '88 at Østre Gasværk Theatre. The starting point of the opera is a photograph of the collapsed library in Holland House in London, 1940. Three men are confronted with the catastrophe, and spend a night in vigil in the dying library. The video introduces three arias: 'Blind, blind', 'And Opening and Opening' and 'The Raft'.
