THE CHITIN SHIELD

Bodil Hauskov Jensen, Denmark, 1990
 DK/Experimental

The chitin shield is the insect's skeleton, which in contrast to man's is situated on the body's exterior. The film is a kind of science fiction, where man is extinct and the insects have taken over the world. It is THE PRAYING MANTIS - Stone Age man's holy insect - which narrate the story of mankind, who in trying to imitate the insects, destroyed nature and itself.
