SOLANGE ON LOVE

Tine Katinka Jensen, Denmark, 2008

49 min. | DK/Documentary

They dream of a life, most of us take for granted. The dream is simple but hard to fulfil. To have a roof over one's head and a floor under one's feet. To have a boyfriend who's clean and a door that can be locked at night ... Filmed in Chile over the course of a year, this poetic film follows two young women, who carry the same name, Solange. They come from different backgrounds and are at different stages of their lives. But they share common ground in their struggle to be with the one person they love, and to maintain their intimacy under the pressures and challenges from the outside world.
