CHAIR06

Tina Scherzberg, Denmark, 2006 15

6 min. | DK/Short fiction

Chair 06 refers to the British artist Allen Jones' work Chair (1967). Allen Jones' sculpture presents the female as an object taken to extremes as she is depicted as an article for everyday use ¿ as a chair ¿ coupled with an unambiguous sexual objectification.
Tina Scherzbergs aim with Chair 06 is to play with - and confront - the meanings of the sculpture and the feelings it evokes.
Her focus is to portray a woman who investigates the process of making herself into an object.
