WINTER SWIMMER

Kenneth Sorento, Denmark, 2004
 9 min. | DK/Documentary

A silhouette of an old woman appears in front of the sea. Reflections of the winter sun in the sea surrounds the silhouette of an old woman. On naked feet she runs over the snow to take her daily winter swim. The water is -1 degree Celsius. "Regardless of the stations or the weather I need to smell the sea, feel the wind, hear the sea gulls and sense the salt every single day", says Else Høyby.
