WHILE THE GOING IS GOOD

Morten Ellehaug Ryborg, Denmark, 1997
 10 min. | DK/Short fiction

A drama-documentary about play - about children's own virtual reality - unplugged! Loyal to the reality that comes forward while playing. A homage to children's fantasy, about the liberating and seductive nature of play. About passion, being present, about making rules and patterns and the joy of breaking them. About creating realities.
