

# GEEK - NYC'S SECRET SIDESHOW

EN | DA

Knud Vesterskov, Denmark, 1997

26 min. | DK/Experimental

Hectic New York is the right place to experience your relations to depravation of today. A passionate young man throws himself into the raunchy freak show of the metropolis in a bloodily self staging way. During the confrontations with his self-imposed 'geek'-character he is forced back to the safe triviality of normal life. A necessary experience wiser.
