GOLLYWOBLER

Joachim Hamou, Denmark, 2000
DK/Short fiction

The artist Andrea Zittel has build a 44 tons island. It¿s placed in the middle of Oresund. The journalist Axel Boisen goes outthere with a cameraman to make an interview. Paul Munday is also on his way to the island with his new girlfriend Maria. He¿s to do some practical work for Andrea. Paul believes that he and Maria will be alone on the island and are looking forward to a romantic hollyday.
