VOYEUR

Bent Staalhøj, Denmark, 1998
 65 min. | DK/Documentary

EN | DA

A voyeurs investigation of exhibitionism. A documentary on our desire to peep and expose. From the passive watching of X rated films on TV to the more active peeping at naked people. A film for the senses that deals with the exhibitionists and what they have to exhibit - out doors - in doors - at day time - night time - no matter where, as long as they have an audience - the voyeur.

Basic information
