# CUBA BY BIKE

Stig Hartkopf, Denmark, 1995
64 min. | DK/Documentary

CUBA BY BIKE is not a tourist travelogue, but an honest portrait of a society normally inaccessible for foreigners. Stig Hartkopf rode acroos the Island on his old Chinese bike carrying a Hi8 camera. He recorded the tragic-comic tourists, Cuban families in the cities and on the country side. The people he met he asked about their hopes and dreams for the future.
