THE INVENTION OF DR. NAKAMATS

Kaspar Astrup Schröder, Denmark, 2009

60 min. | DK/Documentary | Portrait films

Dr. Nakamats is a cult figure in Japan and a famous inventor with over 3300 patents. He is about to celebrate his 80th birthday, still feeling young and full of energy. He is convinced that he will live to be 144 years old. But how will Dr. Nakamats reach this goal? The film follows this extraordinary Japanese celebrity on his life-prolonging mission whilst delving into new inventions.
