THE HOME FRONT

Phie Ambo, Denmark, 2010

40 min. | DK/Documentary

»The Home Front« is about conflicts in our private sphere: feuds between neighbours. The film follows Mogens Peuliche, a boundary inspector, who mediates between disagreeing neighbours. We enter the homes of the feuding parties to learn about the conflicts from both sides. Why is it so difficult to solve a conflict so close at hand? And what do hedges and fences represent? Is this really what the conflicts are all about?

Basic information
