TWO FRIENDS

Paw Charlie Ravn, Denmark, 2010
8 min. | DK/Short fiction | Children's films, Animation, Film school films

Albert and his best friend Jonas are orphans. They live in the future in a harsh dystopia where the women and children are all dead. The men have begun to change in their yearning for a woman. "Two Friends" is a film about sticking together against all the odds in a world where hope is fading fast.
