INVIDIA

Jonas Wagner, Carl Jan Weincke, Denmark, 1997
 8 min. | DK/Short fiction

This is the first episode of a series of experimental films based on the seven deadly sins. A man is lying on a bed, asleep, and his right hand is raging with envy (invidia in Latin) over the golden watch that is on the left hand. The right hand sneaks over the body of the sleeping man and tries to steal the watch. But just when he is about to succeed, the left hand wakes up. A violent, life-and-death struggle breaks out. We can look forward to the remaining six parts of the series with excitement.
