

BELINDA BEAUTIFUL

EN | DA

Marianne Blicher, Denmark, 2012

23 min. | DK/Short fiction | Children's films

Belinda, 14, is not like other girls. She is neither beautiful nor good at sports, and she has never been kissed. She did kiss her only friend Frederic once, in the storage room at the diner where she works. But he is only 10 and she sort of forced him. In one aspect though, Belinda is just like any other teenager: Her hormones are raging. Frederic doesn't quite get her. He is only interested in dissecting and frying insects and dead animals. So when Belinda falls head over heels in love with her handball coach, their friendship is put to the ultimate test.
